Welcome Email - Brands V1

Subject:

What do your customers really think?

Welcome to Uncreator Club.

Most brands have more customer feedback than ever before.

Yet very few truly understand customer perception.

That's the problem we're obsessed with solving.

More soon...

For now, complete your brand profile and tell us what you're building.

We're excited to have you here.

Welcome Email - Brands V2

Welcome to Uncreator Club.

Most brands spend their time trying to be seen.

The brands that win understand how they're seen.

That's why we're building Uncreator.club.

A place where customer perception, creator insight, and brand growth come together.

Over the next few days, we'll share more about how we help brands uncover what customers think and influence what they say next.

For now, we'd love to learn more about you.

Complete your brand profile and tell us what you're building.

We're excited to have you here.

Understand customers. Build better brands.

Welcome Email — Creator V1

Welcome to the Uncreator Club.

Most platforms see creators as distribution.

We see creators as perspective.

The communities you build, the trends you notice, and the conversations you're part of are shaping the future of brands every day.

That's why Uncreator.club exists.

Over the next few days, we'll show you how creators can play a bigger role in the brands they work with.

For now, complete your profile and tell us more about your world.

We're glad you're here.

Creators influence culture. Culture shapes brands.

Welcome Email — Creator V2

Welcome to the Uncreator Club.

The future's most valuable creators won't just build audiences.

They'll shape products, perceptions, and culture.

That's why we're building Uncreator.club.

Complete your profile and tell us what makes your perspective unique.

BRAND FLOW for Signup

Your ideal customers are:

- D2C founders
- Small brands
- Homegrown businesses
- Beauty founders
- Fashion brands
- Wellness companies
- Tech/Saas/Ai
- Education

Not enterprise CMOs.

Design for founders.

Screen 3

This is the most important question.

Not budget.

Not followers.

Not revenue.

Ask:

What challenge are you trying to solve?

Select all:

- ☐ More awareness
- ☐ More trust
- ☐ More content
- ☐ Product launch
- ☐ Community building
- ☐ Understanding customer perception
- ☐ Creator partnerships
- ☐ Other

This tells you what they're actually buying.

Screen 4

The golden question.

Which statement feels most true today?

- Customers don't know us
- Customers know us but don't trust us
- Customers like us but don't buy
- We don't know what customers think
- We're launching something new

This question is worth more than 20 CRM fields.

CREATOR FLOW for Signup

Now this is where most platforms fail.

They ask:

- Followers
- Engagement
- Reach

Every creator has seen that form 100 times.

You want to feel different.

Screen 3

My favorite question.

Which best describes you?

- ☐ I love discovering products early
- ☐ I enjoy reviewing products
- ☐ I love sharing opinions
- ☐ I build communities
- ☐ I influence purchase decisions
- ☐ A mix of all of these

Now you're learning identity.

Screen 4

What excites you most?

- ☐ Brand collaborations
- ☐ Product testing
- ☐ Community events
- ☐ Creator networking
- ☐ Feedback circles
- ☐ UGC opportunities

This helps future matching.
